

## Taken Into Custody: A Dominated BBW

Taken Into Custody Officer Scott West returns. This time he doesn't follow Cassie to get what he wants, he takes her. Handcuffed and thrown in the back of his squad car, she is driven to the police station late at night and thrown in a cell. West pushes her to her limits to get what he needs from her. Her bruises may have faded from their last encounter, but her memory is fresh. She knows what she can and can't do. She knows what the punishment is like. Warning: This 5,300 word story is for mature audiences only. It contains graphic descriptions of BDSM, domination, and big beautiful women. Buyer beware ;)
