

A Trace of Memory (The Defenders Book 4)

IN SEARCH OF HER PAST Emma Landers has amnesia. Problem is, she can't remember how she got it, why she's injured or why someone wants to hurt her. When she lands on the doorstep of former love Travis Wright, she can barely remember their past history. But she knows she can trust him to protect her. The handsome farmer was heartbroken when Emma left him for the big city. But there's no way he can send her away when gunshots start flying. Now Travis must keep Emma safe while helping her piece together her memories before it's too late. *The Defenders: Protecting children in need*
