

## Laid Bear in Alaska (Werebear Shifter Romance Erotica)

Beth has moved to Alaska from Michigan, back to her childhood home. She's happy, but she doesn't really know how to live in the semi-wild lands of the Alaskan Country. That's why she has enlisted her neighbor's grandson, Jessie. Beth didn't expect Jessie to be so muscular and sexy. She definitely didn't expect him to be so nice either. She also didn't expect him to secretly be a big, powerful Werebear either. The young woman doesn't know what to expect from this sudden revelation. However, she does know that along with showing her how to do things around the house, she'd like him to show her how to do quite a few things inside as well.

This boxed set contains five paranormal erotica stories. Poking the Werebear (4300 words) Abigail is on assignment deep in the Alaskan wilderness, taking photographs of polar bears.
