

Bo (Bad Boys of Retribution MC Book 3)

From the world of Carolina Bad Boys and Retribution MC ... Bo Maverick is ex-Force Recon and a force to be reckoned with. Bo: Im a lover, not a fighter. Yeah, right. Talk about bullshit. Ive been fighting all my life, and I know zip about love. Frankly, I dont want to. More than bullets whizzing past my head or the very real possibility of ending up dead, love scares the shit out of me. Im used to guns and killing, blood and dust. Lust. Thats what I feel for this woman, my goddamn shrink, Veronica. Doctor Hartley digs inside my head. She asks me questions, which I never answer. Id much rather take the smart, sexy Doc to bed, but I cant because of our clinical relationship. My last Force Recon mission destroyed any semblance of humanity I had left. Those little triggers go off all the time now. When Im asleep. When Im awake. When the memories are raw. I bolt up, at knife point again, but theres no enemy now. Just Veronica and me. Veronica: Veronica. Doctor Hartley. I told Bo to call me Ronnie like everyone else, but he refuses. He shows up like he has a cattle prod shoved up his ass and sits through the allotted hour for his counseling session impervious to every approach. Hes powerful, forceful, explosive. He doesnt scare me. My marine doesnt speak, but his sharp gaze pierces me all the same. He watches me with all the greed of a hunger never sated, a need never fulfilled. A desire never explored. He stows his secrets safely away, but Im patient. Ill get to him if he doesnt get to me first. And when I have him? Ill want him forever. I know this. But I cant. His past might be complicated, but mine is a minefield, one that will blow up in our faces before all is said and done. Too bad. We could be so good together. Warning: Graphic sex, graphic action, graphic language. Triple X caution. Bo is book 3 in the summer 2015 Bad Boys of Retribution MC series. HUNTER, book #1: Now Available! KINKAID, book #2:
