

Curse of the Kingsmans 3: Escape of Absolon

Servant boy at the Kingsley household Absolon couldn't believe his good fortune when his handsome and charismatic father rescued him and his mother from a lifetime of drudgery. No longer required to slave for a living, Absolon was able to realise his life-long dream of becoming a scholar. Then he discovered his father was really a notorious pirate captain Aidan Thomas, the Prince of Darkness. At his Aidan's execution Absolon is recognised by one of his father's old crewmates. Snake and a small group of pirates have managed to escape the authorities and hide out in a safe-house. Snake wants to find out the truth behind Aidan's betrayal and believes Absolon can help him. Absolon thinks Sarah Kingsley, one of Aidan's former lovers, might have more information. Unfortunately Sarah knows Absolon from when he used to work in her kitchens. She treated him abominably, calling him names and pulling his hair. Absolon does not believe he has the confidence or wisdom to deal with her, so Aidan's former crewmates decide he needs a little more education in the ways of the world before he can see her. Soon Absolon is running back and forth between a murderous band of wanted cutthroats and one notorious but fiercely intelligent nymphomaniac. Can the naive young man even manage to survive long enough to discover who really betrayed Aidan Thomas on the 6th of August, 1705?

Be warned; this book contains both straight and gay sex scenes. Also available in this series: *Curse of the Kingsmans A romantic restoration-age adventure involving a haunted castle, smugglers and a cursed family.* *Curse of the Kingsmans 2 The Devils Diary A far darker and more erotic adventure about a young girl who falls in love with an infamous pirate.* Other books by Emma Daniels and Ethan Somerville: *Return to Atlantis - a high school student and a rock star travel to the lost city of Atlantis for the adventure of a*

lifetime Shadow Warrior - a detective thriller with more than a hint of demon romance Empire of Ice - a dark urban fantasy about a secret Nazi superman formula with the power to create vampires. I married an Alien - a time-travel romance in which a dowdy middle-aged woman suddenly finds herself catapulted in the future, into a whole new body and life. I Married a Time-Traveller - the thrilling sequel to I Married an Alien, in which an introverted mad scientist is granted a whole new lease on life when he wakes up in the body of a gorgeous Terron.
