

Vanita, The Transsexual Vampire (Paranormal Superhero Erotica) (The Universe of Erotic and Genderbending Superheroes Book 3)

Vanita is out one night having fun with her friends. On her way home after the bar closes she is jumped by three men. The next time she wakes up a mysterious man is standing over her bed named Gregory is standing over her bed. Vanita finds out that Gregory saved her life and tended to her. Gregory makes Vanita an offer. A few hundred years ago her family were consorts to Clan Hellstar and gave their lives to protect the vampire clan. Now Vanita has the chance to join Clan Hellstar but it will mean a life changing event. She consults her best friend Samuel, who lives upstairs and comes to a momentous decision not without significant risks. Clan Hellstar has its eye on Samuel as well for a number of reasons, some related to his relationship to Vanita and other reasons related to his work in horror makeup. The newest member of the Universe of Erotic and Genderbending Superheroes has arrived, a transgendered superheroine, and on which side will her alliances lie? This 17,000 word novelette opens the next door in the Universe of Erotic and Genderbending Superhero which started with The Gender Bending Thrift Shoppe with the introduction of a transsexual superheroine. May I help you? Good evening Samuel, my name is Gregory. I do believe that Vanita is expecting me. Gregory..... Samuel froze and slowly his right hand rose to remove the chain from the lock to open the door. Gregory entered the apartment and smirked at Samuel muttering a fine choice indeed before removing his wide-brimmed hat and placing it on the top of the couch. Samuel shut the door and watched as Gregory pulled out a timepiece on a long, gold chain and held it in his hand as he removed his coat and placed it on the couch. Gregory was a tall, strong, and slender man with deep lines on his face suggesting someone who is both worldly and wise. His attire was a more modern Renaissance

with a cravat instead of a tie, a white dress shirt with vertical frills, a studded, leather vest, and leather pants. The pants and vest looked as if they were hand made rather than store bought and the top two buttons on the shirt were open. His hands had rings with insignias matching his belt buckle. Please allow me to introduce myself, Samuel. I am Gregory Von Hellstar of the Clan Hellstar. I have come to initiate Vanita into Clan Hellstar. It is a pleasure to meet you Gregory. She has made a wise choice of a consort. You are quite an exemplary man Samuel. Stay true to yourself and Vanita as the Clan Hellstar has its eye on you.
