

## Sinful Seduction (Red Stone Security Series) (Volume 8)

From the USA Today bestselling Red Stone Security series As an heiress from a prominent family, Mina knows the pain of living under a microscope. Which is why she loves her sleepy Key West home where nobody knows her name. Shes determined to make her way without being coddled and no mugging is going to change that. Former Marine and newest Red Stone Security employee Alexander Blue has seen enough bloodshed to last a lifetime or ten. Hes ready for civilian life, but when he sees a mysterious brunette attacked by a mugger, his need to protect kicks into overdrive. Mina, the sensual artist he saved, brings him home and bandages him up, but her gaze cuts clear to his soul. An intense connection isnt all Blue feels there was something strange about that mugging; hes convinced Mina is in danger and needs his protection. Just one problem: Mina doesnt want saving. Though Sinful Seduction is part of a series it can easily be read as a stand-alone.
