

Intended as a practical aid, this fourth edition aims to provide a comprehensive review of planning inquiry and appeals procedure at all levels. The book covers all levels of the inquiry itself, including those entitled to appear and the role of the Secretary of State and the High Courts. It deals not only with the actual appeal procedure but also preliminary considerations such as the grounds of refusal, the development plan and other significant documents and whether to appeal and the timing of such an appeal. The book constitutes a reliable guide to this area of the law and its coverage makes it a useful reference work for those conducting appeals or appearing as expert witnesses.
