

Will she bring the gift of acceptance, or will she break the bonds that have been forged through the fires of hell? Heathers job was to guard Sams body. As part of the team assigned to the protection of the August family, she had taken her job seriously. Until a madman learned she was Sam Augusts weakness. Until the past rose with deadly intent and surprising secrets. Will Sam be able to deny his passion for this woman? Or will the dark nightmares and sensuous desires that rage through them both be the cause of his destruction, and the destruction of the woman he loves?
