

There's a lot of information out there about how to sell books on eBay. But there's nothing quite like this. I'm going to show you how to tear apart old books and magazines, repackage them for sale on eBay, and how you can easily turn \$15.00 into \$250.00. Sounds impossible, doesn't it? I know all of my friends and relatives thought I'd lost my marbles when I told them what I do for a living. And, you can hardly blame them. Hey there. My name is Nick Vulich. Most people online know me as history-bytes. Over the last fifteen years I've made a living tearing apart old books and magazines and reselling them on eBay. Yes! You heard that right. I remove magazine articles, prints, and advertisements from old books and magazines, and resell them to ready buyers on eBay. I know it sounds kind of nuts. But, over the last fifteen years, I've sold over thirty thousand magazine articles alone. I've shipped them to China, Russia, Mexico, India, Australia, just about every country in the world. It's an amazing business. Think about it for a minute. I take old books and magazines that libraries and individuals are ready to throw away, tear them apart, and sell one to ten page chunks to ready buyers around the world. And, here's the best part! They pay me \$15.00 to \$50.00 for each of them. Several have sold for over \$250.00 each. How crazy is that! If you've ever considered selling books or paper collectibles on eBay, this short guide can help you better understand How to source product How to write descriptions that sell How to price your items for maximum profit Selling vintage magazine articles, prints, and advertisements can be one of the most lucrative gigs on eBay. Here's the thing. Even if this isn't the product for you, the ideas presented in this book can kick-start your thinking about what you can sell on eBay. It'll get you started looking at common everyday items around you and thinking, what if I Package these items together Break it apart, and sell each piece separately Or, what if I You get the picture. People are selling just about everything imaginable on eBay. The problem is they're all fighting to sell the same stuff, and as a result prices - and profits, go down.
