

Mystery at Crestwater Camp (Q-Crew Diaries)

The Q-Crew is the character universe associated with Godprints Older Elementary Sunday school curriculum. Now, they've got their own series of books! Elementary-aged kids will love solving these mysteries right along with the Q-Crew and will learn life-changing biblical principles in the process! This story, book two of the series, picks up where *The Clubhouse Mystery* left off. Our friends in the Q-Crew are off to music camp hoping to win the band competition and get the chance to open for a famous Christian rock group. But someone keeps sabotaging the Q-Crews equipment. Is it the mysterious caretaker, a rival group, or even a Crew member? Join the Crew in a great camp adventure where they learn the real meaning of being a winner.
