Kindle Paperwhite Tips, Tricks, and Traps: A How-To Tutorial for the

Kindle Paperwhite comes from the pen of Edward Jones, the principal technology writer behind the best-selling Tips, Tricks, and Traps series of computer books. Jones is an experienced computer and technology writer, database applications development analyst, consultant, and trainer who understands the issues faced by people dealing with technology, day in and day out. His career spans years of technology training, database development, and consulting services for major law firms and government agencies in the Washington, DC area, and he currently resides in Charlotte, NC where he is concentrating on providing publications to the rapidly growing digital marketplace. Jones is also a best-selling author whose printed titles have sold over one million copies, and he has served as a technical editor on numerous computer books.
