

Mefisto: Alberto Iriarte (Spanish Edition)

The exquisite still lifes of Alberto Iriarte (1920-1993), known as Mefisto, have remained Colombia's best kept artistic secret of the 20th century, despite having been exhibited in Paris, Barranquilla, and Bogota. Nonetheless, Colombian art history cannot fail to honor Mefisto as one of its most influential painters. This book displays the complete selection of his strange and beautiful still life paintings, collected together for the first time. Las naturalezas muertas pintadas por Alberto Iriarte (1920-1993), llamado Mefisto, continúan siendo las obras colombianas más secretas del siglo veinte, aunque fueron exhibidas en París, Barranquilla, y Bogotá. Sin embargo, la historia del arte colombiano no puede ignorar la influencia sustancial y la importancia artística que tenía Mefisto durante su vida. Por primera vez, sus naturalezas muertas extrañas y provocativas han sido coleccionadas en este volumen sustancial.
