

Catalinas Way (Erotic Romance - Western Romance)

The year is 1901 and Catalina Wyatt is a 30-year-old, self-sufficient, no-nonsense female bounty hunter who lives life by her own terms and takes no imitations for what she really wants. When she receives her biggest bounty to date to capture the criminal Reckless Russell McGraw, her journey leads her to the small town of North Pike, Georgia, where she meets two men who are as different as night and day: 35-year-old Daryl Watersfell and 18-year-old Charlie Kilner, and forms a mutual attraction to both. Having trouble juggling nice guy Daryl, who she genuinely cares for, and bad boy Charlie, who she sees as someone who can help her with her investigation, Catalinas Way is about self-discovery as much as it is about the discovery of others and finding out who you should trust and whats really important in life. *** Genre: Erotic Romance / Western Romance, length: 22,100 words. ***
