

## Tales of Submission 2: More Erotic Stories of Female Bondage and Punishment (Tales of Submission: Hard Female Bondage and BDSM)

Tales of Submission 2 features twelve stories chock full of erotic female punishment and discipline that range from well-established D/s relationships to the ones that are much closer to the ground floor. Jude Masons Lady Catherinas Comeuppance, for example, tells a ground floor kind of tale about a headstrong high society girl who learns a lesson in humility at the hands of a sadistic stable hand with a penchant for electrical toys. Cherry Lee, gives us Double Play, a story of dominance and showmanship at its finest. The man in charge is a bit of a carnival barker whose two beautiful slaves are bound, displayed and tormented with, and by, each other for the entertainment of a special audience. Lee Ash takes us to A Bavarian Castle where a lovely young gal trades a night in one of the most luxurious, and expensive, castles in Europe for a lesson in BDSM that will likely change her life forever. Rounding out the return engagements from our first Tales of Submission are My Name is Artemis Jeffery and His Name is Artemis Jeffery, both penned by Matt Nicholson. In these stories, youll delve into the minds of a self-proclaimed procurer of goods and services and his latest lovely acquisition as they recount the events behind her kidnapping and training, and the results of his decision to keep his submissive plaything for himself. Newcoming contributors to our Tales series includes Pat Cole and Wenchs Punishment Party, a story of a submissive who breaks one rule too many and finds herself the naked plaything of a room full of people bent on trying out every new toy in the books. The three-part Threes Company, Three-Point Shot, and Three-Hour Lesson, all brought to you by Jen Hilliard, relate some of the finer times and torments in the life of a submissive young wife at the hands of her innovative husband and a few of his friends. Molly Coddling, a two-parter by D. Musgrave,

brings you Molly, a hot blonde who wants nothing more than to be the submissive plaything of her husband. Once she finally steals his attention from the game, the lesson begins, with entertaining if a bit bruising results. Finally, Angelique contributes a fun piece called Modern Woman that narrates the story of a confident 21st century business-woman who closes the deal of a lifetime, only to learn the deal comes with a catcha catch involving more submission than shed ever been capable of in her life, and plenty of wonderfully painful surprises to go with it. So, Tales 2 brings you twelve great erotic stories about submissive women and the wonderfully sexy and kinky things you can do to them in the comfort of your own home, warehouse or partywhat more could anyone ask for? \*\* All stories were originally published in the Darker Pleasures Web-zine between 2001 and 2006.
