

The Colossal Conan

Finally, a collection gigantic enough for Conan the Cimmerian himself! This truly massive tome collects issues #0 through #50 of Dark Horses original Conan series - from the definitive early work of Kurt Busiek, Cary Nord, and Dave Stewart through the famous collaborations of Timothy Truman, Tomas Giorello, and Jose Villarrubia. Follow the adventures of Robert E. Howard's barbarian warrior across haunted tundras and through perilous dungeons as he clashes with monsters, wizards, and still darker enemies. Also featuring a foreword by Busiek, an afterword by Truman, and all original cover illustrations, this hefty book is a must-have for any Conan devotee!
