

Captive of the Man-Wolves (The Breeding Island of Dr. Melville) (Volume 2)

Abandoned! Deserted on the Island of Dr. Melville by a billionaire's son, sheltered Midwestern librarian Eve escapes imprisonment and breeding amongst the paws, claws, and talons of a menagerie of hybrid animal-men with the help of a few kinder souls. But disaster strikes when she becomes separated from her would-be protectors. Impregnated, injured, scared, and alone, Eve finds herself at the mercy of a pack of savage beasts in unfamiliar wilds. A brutal world where even the mad doctor himself fears to go, and the man-wolves rule by fang and g-bang! The long-awaited sequel! Pulp sex fiction at its finest!
