

Do you want your 'rocky' relationship to become a 'diamond?' Why Our Relationships Fail is a book that was written to help the reader understand why their relationship (whether a marriage or a long-term relationship) didn't last as they had hoped it would. In this book, nearly every reader can find at least a part of their own story (and it's not always what the reader might think) as well as the beginnings of the knowledge necessary to make future relationships work. In fact, the companion to this eBook, "What Makes Relationships Work," addresses this in detail. Inside "Why Our Relationships Fail" you'll discover: * How modern society has set up our relationships for failure. * The four popular myths that keep us from finding the relationship of our dreams. * The relationship killing power of the "bright shiny object" syndrome. * The role that low self-esteem plays in our relationship failure. * How unresolved emotional energy can cripple and even kill your relationship. * Why the mentality of entitlement is deadly to a relationship. * The destructive power of unrealistic expectations. * How impatience can kill a "good thing." And a LOT more... This book is filled with: >> relationship principles and >> relationship skills that will provide you with >> relationship healing. In pointing out why our relationships continue to fail, the author also reveals the solutions for making your relationship work. We can only change what we're aware of and that's what makes this book essential reading for everyone looking for relationship help. The first eBook in the "Relationship Skills" Series, written by international author, Relationship Consciousness Expert, and MidlifeHeart Coach(tm), Jim Rogers, "Why Our Relationships Fail," gives the reader a greater understanding as to why relationships fail as much and as often as they do. This book, and its companion, "What Makes Relationships Work," is especially for you if you've been having challenges in your relationship and want to understand their deeper cause as well as their ready solution.
