

Watchmen

Watchmen redefined superhero conventions and re-introduced comics to an adult audience with a gripping, labyrinthine piece of comic art. Rorschach, a half-psychotic vigilante must convince his ex team-mates, now middle-aged and retired, that he has uncovered a plot to murder the remaining superheroes - along with millions of innocent civilians...Even reunited, will the remnants of the Watchmen be enough to avert a global apocalypse? With a powerful storyline masterfully told by comics supremo Alan Moore and beautifully rendered artwork by the talented Dave Gibbons - this is the one that started the graphic novel revolution and is definitely not one to miss!
