So, he began, you like to be watched. Rebecca has a secret. Nothing turns her on more than the idea of being watched. One night when she's alone in the office run by the man of the house, she gives in to her desires and gives a sexy show to a mystery man watching her through the glass window, only to discover the man watching her is the man she has known her entire life. He can't wait to take her outside and show her just how public he's willing to get! **WARNING:** This 4,200 word story contains graphic language involving a sexy redhead and the man of the house engaging in highly taboo sex, masturbation, exhibitionism, public sex, and outdoor sex. Intended for **MATURE AUDIENCES 18+ only!** **EXCERPT:** I leaned against the wall, gasping for air and shaking with aftershocks and watched as he methodically undressed. Suit jacket, shirt, undershirt, shoes, socks, pants, all ended up in a heap on the floor, leaving him only in a pair of black boxer briefs. Holding my gaze, he pushed them down. Turn around, he demanded, his voice breaking slightly on the order. Stand with your legs apart and press yourself against the glass. I complied. Tip your hips forward. If someone looks out their window, I want them to see it all.
