

Glorias Man

Valentines Day sucks. At least it does this year after Gloria catches her boyfriend in a kinky menage a trios- and in her own damn bed. The sorry son of a- Refusing to be broken and never one to wallow in self pity, Gloria rejects the notion of just sitting there feeling sad. Dusting herself off, she put on her hottest outfit and heads to the hottest club in town. Cheat on her would he? He was soooo lucky she hadnt made the dangerous mistake of falling in love. At least not with her no good cheating now ex-boyfriend. The last thing she expect however is Russian billionaire Raulf Lundgrin and his very keen interest in her. But what could a man who could -- and quite frequently did -- have any woman he wants possibly want with her? Her body, of course. And Raulf is out to make this the most memorable Valentines Day Gloria has ever had. Isnt he lucky she was in the mood to let him? Raulf No, he said, not looking at her, but focused intently on the top of the stairs. You will not leave. Not tonight. Tomorrow, if you still want to go home, Ill take you. I really dont think thats the best option. Lord! Why had she drunk so much? She wasnt drunk by any means, but she was a little too buzzed to make rational decisions. Like now. She had her arms wrapped around his neck, and he smelled so good... Before she realized what she was doing, she had buried her face in his neck and inhaled deeply. After that, his earlobe beckoned her and she took it between her teeth, tugging gently before sucking it gently with her lips. She had no idea how they made it to his bedroom, but the next thing she knew, he was laying her down, covering her with his big body. He pressed himself between her legs so that his cock brushed her thinly covered pussy. Mouth fused to his, she clutched at him, tugging his shirt up so she could get to the bare skin of his back. She needed him naked! Raulf pressed against her aggressively, catching her hands and

pinning them above her head. His other hand found the hem of her blouse and slid his way upward to her bare breast, cupping it in his large palm. Gloria arched into him, crying out softly when he broke their kiss. Kissing his way down her neck to the swell of the breast he so lovingly squeezed, Raulf blazed a trail of fire along her skin. She screamed for him, throbbled and ached for him. God! Sex had never been like this! Was it the alcohol? She didnt know. All Gloria knew was that she needed more. More of Raulf. More of everything.
